**ATR VERDICT:** Red Snapper might need the outing after a 270-day absence but has some decent enough form at this level, while Super Major was a little disappointing last time and more is required here. Fortunate Vision drops in class and wears first-time cheekpieces, but this can go the way of CONFRERIE, who ran better than his finishing position suggested at Bath last time and should appreciate this drop in distance.

**Top Tip:** CONFRERIE (4)

**Watch out for:** FORTUNATE VISION (1)
