**ATR VERDICT:** A return to a mile could be right up SESAME's street, and Mick Appleby's youngster can leave her recent Catterick disappointment behind her and return to her best, which saw her make the podium three races in a row before that. Miss Green Dream is a half-sister to an Ebor winner and may have more to come now stepping up in trip. Fflur appears the pick of Karl Burke's duo, with Yellow Fire foolish to dismiss representing a top team.

**Top Tip:** SESAME (4)

**Watch out for:** MISS GREEN DREAM (2)
