ATR VERDICT: MONITION was disappointing when last seen in a bumper at Navan at the end of March, but the full-brother to Champagne Fever is better judged on his second outing over hurdles at Punchestown at the end of January when finishing third to Eagle Lion. The step back up in trip is certainly in his favour and he can account for Stubborn Logic, who improved when upped in distance at Clonmel last time, and Licklighter, who turns out quickly after finishing second to My Sister Sarah at Punchestown on Tuesday.

Top Tip: MONITION (7)

Watch out for: STUBBORN LOGIC (8)
