ATR VERDICT: The jumping of Alan King's MIA'S STORM kind of fell apart last season over fences, falling when favourite for both the Kauto Star Novices' Chase and Future Champion Novices' Chase on her last two outings. However, she can gain a confidence-boosting victory switched to timber on her return to action. Boreham Bill has the benefit of a recent run and, despite disappointing that day at Worcester, could get involved, while Kaki De La Pree may need it softer than this to be seen at his best but cannot be overlooked.

Top Tip: MIA'S STORM (1)

Watch out for: BOREHAM BILL (4)
