ATR VERDICT: The form of REPAUPO's debut second at Ascot looks strong with many of the horses behind running well on their next outings and John Gosden's colt, a half-brother to Group 1 winner Rainbow View, appears more than capable of bettering that opening showing when only beaten a head. Tom Dascombe saddles what could be a useful newcomer in the the Dark Angel colt Metatron, a 120,000 pounds purchase, while Fame N Fortune caught the eye when a running-on fourth on his debut over 7f here, suggesting this step up in trip will suit.

Top Tip: REPAUPO (6)

Watch out for: METATRON (4)
