ATR VERDICT: Lost Treasure is probably the most talented horse in this field and he was only beaten a length when meeting with trouble in running in a Group 1 two starts ago. That said, he should have won a Listed race at Navan on Sunday but he threw the race away when stopping as he hit the front just before the line. That means that the safest bet is HIT THE BID, who was far from disgraced in the Flying Five two starts ago and he was only beaten a neck by Take Cover in this race last year. Encore d'Or has bounced back to form in recent starts and he has a very good record on the all-weather.

Top Tip: HIT THE BID (3)

Watch out for: LOST TREASURE (4)
