**ATR VERDICT:** Fontwell bumper scorer DANDOLO DU GITE made a promising start to his hurdling career when chasing home odds-on favourite French Crusader at Towcester and, with improvement expected, he might be able to go one better. Comeonthebull was a staying-on second on his NH debut in a bumper here and should appreciate stepping up in trip for his first outing over timber, while triple point-to-point winner Keel Over cannot be ruled out either.

**Top Tip:** DANDOLO DU GITE (2)

**Watch out for:** COMEONTHEBULL (1)
