| TIMEFORM VIEW: BLUE MOUNTAIN sets the standard and gets the nod but plenty of these are open to improvement in what looks an open race of its type. Copal promises to be wiser with his debut behind him and could leave that bare form behind, while London Eye is another who could improve a lot with an outing under his belt. Roger Varian's newcomer Bayroot would also come into it if the betting speaks for him. | | | | | | |

| TIMEFORM VIEW: INSURGENCE was left with too much to do at Chelmsford last time and is worth another chance as he'd been highly progressive on this surface prior to that. Hombre Casado extended his run of good efforts when a close second over 1m here and is unlikely to be inconvenienced by the drop back to 7f. Desert Frost is building up a solid record and is another who should go well. | | | | | | |
