**ATR VERDICT:** Cuban Heel did himself no favours by failing to settle over a mile at Kempton so the step up in trip has to be a worry, whereas ACE VENTURA should relish the extra yardage after getting going too late over Epsom's extended mile. Thistimenextyear blotted his copybook at York before performing with credit in two subsequent appearances, while Dream Machine, Turnpike Trip and Optimum Time add further spice to the race.

**Top Tip:** ACE VENTURA (9)

**Watch out for:** CUBAN HEEL (8)
