**ATR VERDICT:** THE GOLDEN CUE bounced back to form when dropped to this trip at Nottingham last week, winning quite cosily, and he is capable of defying a 6lb penalty. A day later, Everkyllachy continued her creditable recent form when second at Brighton, and she is a big threat. John Joiner is also shaping as though his turn is near and is another for the shortlist, along with Fantasy Justifier, who is better than he showed at Bath.

**ATR VERDICT:** Swiss Pride is the clear form pick and the application of blinkers doesn't need to spark too much improvement, if any, but his only previous run with give underfoot resulted in a terrible Sandown display. His stablemate Dandy Lad could play a part, as could Vino Rosso and Arthur's Spirit, but Robert Cowell saddles three newcomers who won't need to be anything too special. The pick of them is ROCKET ACTION, a son of Tornado out of a mare who was second in the Cheveley Park and fourth in the 1000 Guineas.

**ATR VERDICT:** SATCHVILLE FLYER did well to take third over a mile at Chelmsford considering he raced keenly, but he is better suited to sprint trips and makes most appeal on these terms. Letmestopyouthere is back with Michael Bell after forming part of Jamie Osborne's Laytown squad, but a bigger threat looks to be Big Brave Bob, who has been knocking on the door since reverting to the all-weather. Winklemann and stable companions Showmethedough and Rene Mathis are also respected.

**ATR VERDICT:** Cuban Heel did himself no favours by failing to settle over a mile at Kempton so the step up in trip has to be a worry, whereas ACE VENTURA should relish the extra yardage after getting going too late over Epsom's extended mile. Thistimenextyear blotted his copybook at York before performing with credit in two subsequent appearances, while Dream Machine, Turnpike Trip and Optimum Time add further spice to the race.

**ATR VERDICT:** Winged Spur produced a dominant performance to regain the winning thread at Redcar but a 7lb hike against stronger opposition could find her out, and she is passed over in favour of FRESH TERMS. Ralph Beckett's filly so nearly benefited from an enterprising ride at Chester, only to be collared close home. More patient tactics here can pay dividends, and she may even get a lead off Glorious Poet. Maybe Today is interesting on her handicap bow, and Zzoro shouldn't be far away either.

**ATR VERDICT:** CHRISTOPHER WOOD apparently doesn't know how to run a bad race and was rewarded for his consistency with a C&D defeat of Secret Return a fortnight ago. He is 4lb higher now but the addition of cheekpieces can help prompt the necessary improvement. Allante was put in her place by a couple of dead-heaters at Wolverhampton but that form was given a shot in the arm by one of the winners landing a Listed prize subsequently. Central City may have failed in the hat-trick mission but lost little in defeat, with Crafty Madam and Crownthorpe others to consider.

**ATR VERDICT:** LIVVYS DREAM banished a heavy Leicester defeat to the memory when making a successful AW debut at Kempton and while she has been handed a 5lb rise, there were three subsequent winners in behind her so the hike may even be lenient. The Groove's consistent run of form continued with a commendable fourth at Redcar on Friday, and Zapateado also arrives at the top of her game.
