ATR VERDICT: Ortenzia looks poised to end up a far better chaser than hurdler and put in a nice round of jumping in victory at Bangor earlier this month, while Heurtevent arrives here in good form and should give the form of this contest a solid enough outlook for the grade. Le Precieux had a spin on the Flat at Kempton two weeks ago to warm up for this, but NEW MILLENNIUM looks to be settling well over fences now and could be handicapped to strike for the first time.

Top Tip: NEW MILLENNIUM (3)

Watch out for: ORTENZIA (4)
