**ATR VERDICT:** Dual Flat scorer HIGH COMMAND made a promising start to his hurdling career when third behind a couple of subsequent winners at Plumpton and, with normal improvement, he could prove difficult to beat. Go Forrit improved with each bumper start earlier this year and he should make up into a decent hurdler, while Andapa can hopefully get further than she did first time over timber here when crashing out at the first obstacle and won both her bumper outings previously.

**Top Tip:** HIGH COMMAND (7)

**Watch out for:** GO FORRIT (6)
