ATR VERDICT: Nicky Henderson won this in 2016 with Burbank and the same connections are represented by newcomer Allart, who comes from the family of smart chaser William Wishes and one of last season's bumper stars, Acey Milan. Last year's winning team of Philip Hobbs and Richard Johnson link up with Keep Rolling, who wears the colours of the Mick Fitzgerald Racing Club and sports a hood for his first racecourse outings. However, better newcomers to focus on may well be the point winner Minella Bobo, who joined Rebecca Curtis for 100,000 pounds in the spring, and Ector, representing a team known for success in this sphere. Preference, though, is for GENIUS, who swooped round the outside to score comfortably on his Southwell debut earlier in the year and the ground may not be soft enough to blunt his progress despite having to concede a penalty to his rivals here.

Top Tip: GENIUS (1)

Watch out for: MINELLA BOBO (12)
