| <b>TIMEFORM VIEW:</b> UNIVERSAL FOCUS didn't get the chance to show what he could do last time and is well worth another chance to show he's still on a good mark at a track where he's enjoyed success before. Park Row arrives at the top of his game and looks sure to give it another good shot, while Dancing Doll is nicely treated if a below-par run last time is forgiven. |   |         |  |           |                               |    |
