ATR VERDICT: SIGN OF WAR makes plenty of appeal on pedigree with some of his relatives winning contests in this sphere before going on to make into good prospects over obstacles. Two of his those, Rather Be and Sign Of A Victory, have proven themselves to be top-class handicappers and Evan Williams' gelding can make a winning start to his career. I K Brunel cost 62,000 euros as a store horse in June 2017 and warrants respect for Olly Murphy, while House Island should possess enough speed for a contest of this nature being a half-brother to useful miler Lexington Times.

Top Tip: SIGN OF WAR (9)
