ATR VERDICT: Mistiroc has five Flat victories under his belt and should go very close if taking to this game, but preference is for the proven NH form of WEATHER FRONT. He left his first effort in this sphere well behind when chasing home the smart Good Boy Bobby at Carlisle (pulling 17 lengths clear of the rest) and a repeat performance alone will make him difficult to beat here, although he is entitled to improve further. Wishing Well holds each-way claims switching back to hurdles after posting a couple of solid performances on the level last month.

Top Tip: WEATHER FRONT (11)

Watch out for: MISTIROC (5)
