**ATR VERDICT:** A race that has been won by the likes of Somersby, Balder Succes and Vibrato Valtat in past years and KALASHNIKOV can add his name to the roll of honour. Amy Murphy's stable star won the Betfair Hurdle last season prior to hitting the crossbar in the Supreme Novices' Hurdle at Cheltenham and he should take high rank in this sphere. Huntsman Son was not disgraced when fourth in the Imperial Cup when last seen and he could pose the biggest threat to the selection, with Scorpion Sid likely to pip Lisdoonvarna Lad for third.

**Top Tip:** KALASHNIKOV (2)

**Watch out for:** HUNTSMAN SON (1)
