ATR VERDICT: Point-to-point winner Printing Dollars cost connections 60,000 pounds and looks sure to give a good account under Sam Waley-Cohen, while Eleanorofaquitaine has finished second in two Newton Abbot bumpers and could go close again. However, Ben Pauling is 7-16 with his runners in this sphere here over the last five years so ANIGHTINLAMBOURN receives the vote. She is related to plenty of useful types and is expected to know her job on debut.

Top Tip: ANIGHTINLAMBOURN (3)
