ATR VERDICT: A return to two miles could be just what is needed for the notoriously tricky ride TIDAL WATCH, who was a three-time winner over similar distances in the summer and has been sharpened up for this with a recent spin round the all-weather track here. Telegraph Place beat a useful field in a novice event at Warwick in the summer and is interesting now heading into the handicap ranks on his first outing for Chris Gordon, while Rocket Ronnie is lurking dangerously at the foot of the weights following some useful performances this season and there could be more progress to come in the hands of a leading conditional here.

Top Tip: TIDAL WATCH (4)
Watch out for: TELEGRAPH PLACE (2)
