| <b>TIMEFORM VIEW:</b> Alan King usually unleashes a useful novice in this, and HARAMBE could be another one in the hope he's none the worse for an unfortunate experience on recent hurdles debut. My Mate Mark made a very encouraging return to the track at Bangor and is feared, while Laughing Luis will surely cast aside a tame effort at Fakenham. |   |       |  |           |                               |   |
