ATR VERDICT: Le Reve is capable of going well fresh, but a 571-day break is long enough and Lucy Wadham's charge didn't show much when last seen in the spring of 2017. Beat That is a 10-year-old now and has never really fulfilled his early potential, and he has 11 lengths to make up on EXITAS from when the pair met at Aintree last month. The son of Exit To Nowhere seems to be getting better despite his advancing years and can take this en route to the Veterans' Chase Series final at Sandown in January.

Top Tip: EXITAS (1)

Watch out for: BEAT THAT (2)
