ATR VERDICT: TOP DECISION was disappointing on his handicap debut at Worcester back in September when stopping quickly and pulled up after the fifth flight. He appears to have an excuse with the son of Beneficial having had a wind operation and a tongue-tie is applied to also eke out potential improvement. Get Wishing has posted two solid efforts this campaign and is likely to pose a solid threat once again, while Ice Konig can benefit from a set of blinkers being applied for the first time.

Top Tip: TOP DECISION (3)
